Class History

In retrospection, the Class of 1956 agrees that its years at Burriss have been fruitful. During our elementary years, learning to work and play companionably were probably the most dominant activities. Reaching our Freshman year, we felt that we had at last grown up, for we entered into various clubs and participated in numerous curricular activities. Career Days were scheduled for us during our Sophomore months. During the Junior year, the primary goal of all activities was to earn money for the Senior trip. Arduous efforts went into such projects as the magazine sale, ice cream socials, leaf rakes, chili supper, bake sale, rummage sale, and fair booth. Highlights of the Senior year were the Senior trip to New York City, the Senior play, the Junior-Senior prom, and last of all, graduation.

Burris Laboratory School was named in honor of Benjamin Jackson Burris, first president of Ball State Teachers College. When Burris was built in 1929, Dr. Earl Johnson became the first principal, and when he retired, our present principal, Dr. M. C. Howd, filled the position.

The Burris colors were originally planned to be green and white, but it was found that those colors frequently faded and ran together in cleaning. Blue and gold were decided upon because they were bright and lasting.

The present enrollment of Burris is 956 students as compared to 402 when the school began. There are 52 members of the school faculty.

Student Council

The Burris Student Council is a representative body whose primary purpose is to coordinate school activities. Representatives from grades six through twelve are chosen in class elections. The Council is in charge of the annual fund drive, sponsors the honors convocation, and organizes class elections. Mr. Carl H. Keener did an excellent job of advising the group again this year.

Athletic Council

Ruling upon problems of athletic standards, policies, and honor awards at Burris is the job of the Burris Athletic Committee, composed of six faculty members and two student representatives. One of the latter is a Senior classman and the other is the President of the Student Council.

Bookstore

This year the Burr's Bookstore, supplying the students with necessary materials, was run by the Junior Class as a money making project. It was managed by the Senior Class for the first six weeks, after which it was turned over to the Juniors. Each morning and noon the bookstore was opened to satisfy the demands of the students.

Coach Myers' harrers came through with another brilliant season. Being paced consistently through the year by Seniors Donovan, Huffman, and Homes, the Golden Owls won their ninth straight Conference Title. After taking fourth place in the Sectionals at Anderson, the Owls placed ninth in the State meet at Indianapolis. Donovan finished first for Burris a total of seven times. Huffman came out on top for the Owls two times, while Homes came in first once for Burris. Myers will greatly miss the Seniors next season, but he will have returning Juniors Emens, Powell, Hines, and Blanch, Sophomores Turner, Johnson, Wilson, Jack Love, and Loose.

Conference Champs

71 The Burris swimmers, coached by Bob Korsgaard, brought great acclaim to their school again this year by winning eight of twelve meets.

Burris also placed second in the state meet at Purdue. Five boys, H. Bedell, S. Hatch, J. Myers, Bob Powell, and T. Shute qualified and won more first places than any other school in this meet.

Of the thirteen lettermen this year, six will be lost by graduation. Korsgaard's task next year will be one of rebuilding; however, his team will be well balanced.

Cheerleaders

Hats off to Susie Fisher, Ann Greiber, Mary Anne Pogue, Ann Conner, and Betty Clark for their fine work with the Cheering Block and student body at the basketball games this year.

THE SENIORS

Cheering Block

The Burris Cheering Block has done a marvelous job of contributing spirit, entertainment, color, and noise to the home games and to the sectional. The members of the Block and the cheerleaders worked hard on Christmas and tourney programs. The Block traveled to Tipton along with the band to back the team. With the boys' block and the other fans, the girls upheld the sportsmanship and spirit which is a tradition at Burris.

Basketball

The four basketball teams which represented Burris this year proved to be rugged opponents on many occasions. The Eighth and Ninth Grade teams, coached by Mr. Richard Bonvechio, gained skill and experience which will be valuable in building future varsities.

Bob Shannon's Owlets played in more than their share of close games this year. At one time they played in three overtimes in a row and were involved in many two and three point margin games throughout the year.

Fourth in the CIC, the Golden Owls of Muncie Burris finished the season with a record of 10 wins and 12 losses, including tournament play. Larry Perry was chosen for the all-conference second team. The Owls played fine ball in the Michigan City holiday tournament and will play in the same tourney again next year. In the sectional Burris defeated Cowan and then was eliminated by a fine Eaton ball club.

Varsity Coaches

Varsity coach Rex Rudicel and Bob Shannon, second team coach, both did a commendable job with their respective teams. Coach Rudicel definitely has his work cut out for him next year as he loses his entire starting five, as well as two capable reserves, by way of graduation.

Managers

Veteran managers George Piepho and Kenny Parson, with the help of Sophomore Jack Love, did a competent job of handling the team's equipment

With seven lettermen returning, Coach Meyers had surprising strength and depth with this year's track edition. Being able to call on fresh reserves, the squad was especially strong in the 880, mile, and 2 mile relays. Senior Ronnie Huffman was a state contender again this year in the low hurdles. Seniors John Mart and Ronnie Huffman led the Owls to victory in the Muncie Relays and C.I.C.

With only four men returning from last year's squad, coach Rex Rudice had to depend upon underclassmen to fill the vital spots. Senior Larry Perry's powerful hitting paced the Owls to seven victories. Perry led the team in homers, while senior Buddy Wyatt had the most hits. The mound duties were handled this year by Wyatt, Burgever, and Barcus. Next year's prospects are exceptionally bright with ten out of four teen returning.

ACTIVITIES

Spanish Club

Another very active organization this year was the Spanish Club under the direction of Miss Mary Elizabeth Wood. She was ably assisted by the officers Bill Ehrhardt, Jim Staggs, Julie Pickert, and Charles Weaver. Activities included a scavenger hunt and box social, U. N. dinner, initiation dessert, and the Mardi Gras.

United Nations Dinner

French Club

The French Club is a firmly established institution at Burr's, sponsored by Miss Mary Elizabeth Wood. Highlighting the regular educational activities of Le Cercle Francais was a gay and glittering Mardi Gras based on the customs of French New Orleans. Receiving the crown and sceptre this year were Mr. Richard Dunham and Miss Mary Elizabeth Wood.

Mardi Gras

Latin Banquet

On the night of November 10, 1955 the third save auction and the seventh annual Latin Banquet was presented by the Latin classes under the leadership of Miss Alpha Braunwarth. Costumes added to the atmosphere of The Coliseum while gods and masters recined to partake of the traditional feast. They were waited upon and entertained by their Freshman slaves.

Future Teachers of America

This year the James Whitcomb Riley Chapter of the Future Teachers of America Club, sponsored by Miss Mary Elizabeth Wood, celebrated its tenth anniversary at Burris. Meeting on the second Thursday evening of every month at the Ball State Student Center, the F. T. A. sponsored one convocation, played host to a visiting F. T. A. chapter, and sent representatives to the F. T. A. State Convention and Conference. With these main events mixed in with their regular programs, the Burris F. T. A. club feels that they have had a very successful year.

Y-Teens

An organization devoted to social understanding and community service is the Burnis Y Teens, led this year by Mary Anne Pogue. Among the many worthwhile projects sponsored by Y Teens were Christmas caroling, the Sox Stamp, and a Panel on Religion.

The Burris Choir

The Burris choir, under the direction of Mr. Robert Smith, began the year with a band choir concert. Later the group performed for the Mothers' Club and represented Burris High School at the Christmas Community Sing in December.

Other activities of the choir were the operetta in March, a spring concert, trips to different schools, and Burris convocations.

Handwritten caption: Burriss Band (2 years)

Band

With new uniforms adding greatly to their general appearance, the Burriss Band has passed another school year with flying colors.

The band not only entertained fans during all home basketball games, but also played at Tipton. Mr. Richard Dunham and his able crew were present at all pep sessions to boost school and team spirit.

The band will terminate its season this year by playing its traditional performance at commencement.

Mr. Richard Dunham,
band director

Safety Patrol

Each day before and after school the Burris Patrol boys were on duty. The boys, sponsored by Mr. Orville Zillman, are from the sixth and seventh grades.

Cub Scouts

There are about eighty Cub Scouts in Burris under the direction of the Cub masters, Dr. Edward Strothers and Dr. R. E. Michae. The cubs are divided into eleven dens. They meet once a week with their den mothers to work on various projects.

Boy Scouts

Burris has an active Boy Scout Troop of thirty boys under the leadership of Mr. Errol Myers. The troop consists of three patrols and an explorer unit. The most popular activities are camping expeditions. In the past year Eagle Scout Awards have been given to Jerry Ford, George Myers, and Jerry Myers. This is truly a remarkable record.

Explorer Scouts

This is the first year for the Explorer Scouts at Burris. Mr. Earl Worman is the advisor of the group.

Brownies

The Brownie troops of Burris have been very active this year. Included among their many projects were the making of gifts for their parents and several holiday parties
